SECTION F - DELIVERIES OR PERFORMANCE

F.1 CLAUSES INCORPORATED BY REFERENCE

FAR 52.242-15 Stop Work Order (AUG 1989)
FAR 52.242-17 Government Delay of Work (APR 1984)

F.2 PRINCIPAL PLACE OF PERFORMANCE

The principal places of performance shall be at the Fort Saint Vrain facility located in the city of Platteville in Weld County, Colorado and at the Three Mile Island-2 Facility located at DOE Idaho National Laboratory (INL) at the Idaho Site located near Idaho Falls, Idaho.

F.3 PERIOD OF PERFORMANCE

- (a) The Contracting Officer will issue a Notice to Proceed (NTP) (which may be concurrent with or following contract award). The Contractor shall commence work upon the issuance of the NTP. The Contractor shall not be entitled to allowable costs prior to the date of the NTP.
- (b) The Period of Performance of this contract includes a base period of performance for the work specified in Section C, PWS, of this Contract of 48 months. The base period of performance shall commence on April 1, 2016 and continue through March 31, 2020, unless terminated sooner as provided for in other clauses of this Contract.

The Contract includes one (1) 12-month option period that may be exercised unilaterally provided that the Government gives the Contractor a preliminary written notice of its intent to extend the Contract at least 60 days before the Contract expires in accordance with FAR 52.217-9, Option to Extend the Term of the Contract. The preliminary notice does not commit the Government to execute the option. Should the Government exercise any option hereunder, all contractual terms and conditions shall remain in effect. In the event the Government elects to exercise the option pursuant to the terms of this Contract, the period of performance for the option shall commence on April 1, 2020 and continue through March 31, 2021, unless terminated sooner as provided for in other clauses of this contract.

- (c) The Period of Performance for each CLIN is as follows:

CLIN 00001 – Transition Period: The transition period shall last for 90 days or less from the date of issuance of the Notice to Proceed (NTP).

*The first day of the transition period will be the date of the issuance of the NTP.

After completion of the transition activities contained in the approved transition plan and such other transition activities as may be authorized or directed by the CO, the Contractor shall notify the CO in writing that it is ready to assume full responsibility for the work specified in the Performance Work Statement. The Contractor shall assume full responsibility for the work upon the contract effective date, also considered the first day after the current incumbent contract period of performance ends.

CLIN 00002 – Base Period:

The base period of the Contract shall be for four years from the end of the transition period (48 months).

CLIN 00003 – Option Period 1:

The option period of the Contract, if exercised, shall be one year (12 months).

CLIN 00004 – Closeout:

Closeout activities of the Contract shall occur prior to the end of the period of performance.

If the Option period (CLIN 00003) is not exercised, closeout activities shall commence, as required, and shall be completed no later than 48 months from contract effective date.

If the Option period (CLIN 00003) is exercised, closeout activities shall commence, as required, and shall be completed no later than 60 months from contract effective date.

CLIN 00005 – TMI-2 License Renewal Development – Base Period:

The TMI-2 License Renewal Development – Base Period of the Contract runs concurrently with that of CLIN 00002, Base Period; however, shall be complete by March 2017.

CLIN 00006 – TMI-2 License Renewal (Support) – Base Period:

Task Orders issued will specify the duration of the task for CLIN 00006 – TMI-2 License Renewal (Support), which cannot exceed three years and cannot extend more than one year after the contract expiration date. The period of performance will not begin until completion of CLIN 00005.

CLIN 00007 – TMI-2 License Renewal (Support) – Option Period:

Task Orders issued will specify the duration of the task for CLIN 00007 – TMI-2 License Renewal (Support), which cannot extend more than one year after the contract expiration date.

CLIN 00008 – Materials - Replacement of Government Furnished Property Costs – Base Period:

The Replacement of Government Furnished Property Costs – Base Period runs concurrently with that of CLIN 00002, Base Period of four years (48 months).

CLIN 00009 – Materials - Replacement of Government Furnished Property Costs – Option Period:

The Replacement of Government Furnished Property Costs – Option Period runs concurrently with that of CLIN 00003, Option Period, if exercised, of one year (12 months).

CLIN 00010 – Defined Pension Plan Costs – Base Period:

The Defined Pension Plan Costs – Base Period runs concurrently with that of CLIN 00002, Base Period of four years (48 months).

CLIN 00011 – Defined Pension Plan Costs – Option Period: The Defined Pension Plan Costs – Option Period runs concurrently with that of CLIN 00003, Option Period 1, if exercised, of one year (12 months).

F.4 DELIVERY SCHEDULE

Section J, Attachment J-2, *List of Deliverables* summarizes the specific products the Contractor shall submit to DOE, the type of action DOE will perform, and the date/timeframe within which the Contractor shall deliver the specified product. Section J, Attachment J-2, does not include all deliverables identified in the Contract, DOE directives, federal regulations, or regulatory documents.

NOTE: Attachment J-2 is a list of deliverables. If any deliverable required by any clause/directive of the Contract is not listed in Attachment J-2, this does not relieve the Contractor of the requirement to provide that deliverable. The Contractor shall be responsible for the compliance with all applicable standards, orders, and regulations under the contract.

F.5 NORMAL HOURS OF OPERATION

Normal hours of operation are 7:00 AM to 5:00 PM Monday through Friday.

F.6 EXERCISE OF OPTION

In accordance with Section I clause, FAR 52.217.9 “Option to Extend the Term of the Contract” (Mar 2000), the Department of Energy has included option CLIN 00003 to extend the term of this Contract. In order to demonstrate the value it places on quality performance, the DOE has provided a mechanism for continuing a contractual relationship with a successful Contractor that performs at a level which meets or exceeds quality performance expectations as communicated to the Contractor, in writing by the

Contracting Officer or designated representative. When deciding whether to exercise the option, the Contracting Officer may consider: (1) the quality of the Contractor's performance under this contract; (2) if sufficient funding is available; (3) whether the requirement covered by the option fulfills an existing Government need; (4) whether the exercise of the option is the most advantageous method of fulfilling the Government's need, price and other factors considered. The option(s) will not be exercised if the Contractor has active exclusions listed in the System for Award Management (SAM).
